Commerce

Delivering out-of-the-box **visibility and control** across your supply chain

OVERVIEW

BluJay's Commerce is an automated, cloud-based order fulfillment solution for retailers who dispatch product directly from suppliers to end-customers. This out-of-the-box, web-based supply chain solution enables the electronic exchange of order data and documentation, automating the direct dispatch/drop-ship process. In use by a variety of retailers, it provides full visibility of orders fulfilled by your direct dispatch suppliers, reducing costs and helping deliver on customer promises.

SOLUTIONS AT A GLANCE

- Rapid deployment using pre-configured templates
- Intuitive web-based portal
- Order management
- Dispatch management
- Delivery management
- Document engine for production of branded document set
- Supplier self-billing
- Supplier enablement
- Rapid supplier onboarding

KEY FEATURES

- Increases visibility across the supply chain
- Eliminates manual processes, shortening delivery times and delivering rapid return on investment
- Enables you to expand your product portfolio, at minimal cost to your business
- Rapid integration with internal systems and those of suppliers using pre-defined XML data formats
- Reduce EDI complexity, delivering lower service costs for you and your suppliers
- Proactively manage the customer journey throughout the order life cycle
- Integral document print management module enables production of a full, branded documentation set (barcodes supported), reducing costs and controlling brand image

SOLUTION

BluJay's Commerce is an easy-to-use hosted solution that is suitable for use by retailers and all suppliers, from those fulfilling the lowest volumes to high-volume suppliers using multiple carriers.

Designed to get you up and running quickly with an efficient direct dispatch fulfillment model, BluJay's Commerce integrates easily with enterprise applications and, where appropriate, the back-office applications of your trading partners.

Part of the BluJay Global Trade Network, BluJay's Commerce is deployed using pre-configured, standard templates that are designed to meet the needs of different retail models.

With minimal upfront costs, BluJay's Commerce is ideal for retailers who are adopting a direct dispatch model for the first time, in particular start-up retailers or those looking to expand significantly or add new channels. If you need the flexibility to offer an extensive range of products by shipping direct from your supplier to the customer, Commerce is an ideal solution for ensuring visibility and control over your operations while delivering excellent customer service and preserving your brand and reputation.

Quick to deploy and scalable, Commerce is a proven solution used by top retailers to create a manageable direct dispatch/drop-ship model.

ABOUT BLUJAY SOLUTIONS
